- Ultra-slim ceiling panel light • Bluetooth connection to Nordlux SmartLight
- Adjustable kelvin and lumen output • Dual light LED

Oja is an ultra slim ceiling panel light in a modern and simple design that is very easy to install and can be connected to Nordlux Smart Light using Bluetooth. With your chosen device you will have the ability to change the light from a warm white to a cool white.

With the minimalistic shape and high degree of protection, Ava in grey is applicable both inside and outside.
