3-Stage Cleaning Power

Messes are no match for a 3-Stage Cleaning System with Dual Multi-Surface Rubber Brushes, an Edge-Sweeping Brush, and 10x the Power-Lifting Suction¹.

Guided by serious smarts

Your home gets a thorough clean because the Roomba® i1+ robot vacuum purposefully and logically cleans in neat rows using floor tracking sensors.

Forget about vacuuming for months

The Roomba® i1+ robot vacuum automatically empties into the Clean Base® Automatic Dirt Disposal. This system's bags hold 60 days of dirt and debris.

Roomba® i1+ robot vacuum features

Redefine everyday cleaning

Pet hair and other stubborn messes are no match for 10x the Power-Lifting Suction¹ in the Roomba® i1+ robot vacuum. Its 3-Stage Cleaning System also includes an Edge-Sweeping Brush and unique Dual Multi-Surface Rubber Brushes that flex to adjust to different floor types and don't get tangled with pet hair.

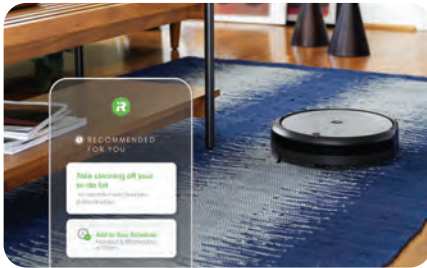

Come home to clean

Now with iRobot OS, you can choose to set your robot to start cleaning when you leave and stop when you come home, so you only notice the clean, but never the cleaning. Enjoy a clean home and your day.

Minimal input. Powerful clean. iRobot OS.

Take back your time and your energy by offloading your cleaning routine to iRobot OS. With dependable technology and intuitive controls, iRobot OS ensures the cleaning gets done right so you can focus on more important things.

Scheduling at its smartest

From pollen season to pet-shedding season, and all the messy moments in between, the Roomba® i1+ robot vacuum knows when it's time to dial up cleanings and makes suggestions automatically.

Keep doing what you're doing

Through the iRobot Home App or with Alexa, Siri, or Google Assistant-enabled devices², simply tell your robot to clean - and consider it done.

Focused cleaning you can count on

Areas where cleaning is needed most, like the high-traffic areas of your home, get the Roomba® i1+ robot vacuum's focus thanks to Dirt Detect™ sensors only from iRobot.
