• Twist-lock for easy mounting of smart bulbs • Bluetooth connection to Nordlux SmartLight

• Retrofit smart GU10 bulb included • IP 65 protection for both outdoor and bathroom use

Carina is a retrofit downlight for indoor use with a die-cast frame and a Smart Light Bulb. Carina is quick and easy to assemble via a screwless connector and twist-lock system.

The Dorado downlight is integrated with the newest Bluetooth Mesh technology allowing you to easily manage the light setting using your selected device. No matter whether you are inside or outside the Bluetooth will allow for a stable communication between your light and device.
